

IMPACT OF FREEPORT-McMoRAN ON COCHISE COUNTY ECONOMY – 2017

In 2017, Freeport-McMoRan generated an estimated **\$41.6 million** in economic benefits for Cochise County. Our company contributes in many ways to the sustainability of the various communities, counties and states in which we operate. These communities rely heavily on the economic benefits directly and indirectly provided by our operations in the form of wages and taxes we pay as well as the goods and services we purchase. This direct spending ripples through the economy, generating additional economic benefits and contributing to more jobs and greater tax revenues. The chart below helps explain how Freeport-McMoRan provides such a boost to the county.

Freeport-McMoRan's Economic Impact on Cochise County

All economic impact numbers were produced by the L. William Seidman Research Institute, Arizona State University.
