Re: Mitigation Order on Consent, Docket No: P-50-06 – Work Plan

Dear Mr. Brack:

The Arizona Department of Environmental Quality (ADEQ) has reviewed the revised Work Plan addenda to the August 11, 2006 Work Plan, including the revised schedule, and acknowledges receipt of the Health and Safety Plan sent on November 13, 2006. Please consider this letter as an approval of the revised Work Plan.

Please note that although Appendix D, Attachment A of the "Second Work Plan Addendum" proposes installation of new monitoring wells by September 30, 2007, ADEQ recommends that a minimum of two rounds of sampling should be conducted from such wells to provide representative data for the Aquifer Characterization Report scheduled for submittal on December 31, 2007.

Please call me at (602) 771-2209 if you have any questions.

Sincerely,

Cynthia S. Campbell
